1. Introduction

Every day, here at South Cumbria Multi-Academy Trust (MAT), we (the MAT) make many decisions and we work hard to act in the best interests of all pupils. Your comments, whether positive or negative, help us to understand how we are doing and to plan for the future.

We know that sometimes our decisions may not be the outcomes that everyone wants. We also know that sometimes we will make mistakes. You may want to talk to us about a particular aspect of school life that affects you or your child but not actually make a complaint – you may just want to get something ‘off your chest’. If you are dissatisfied or have questions about the way you or your child is being treated, or any actions or lack of action by us, please do not hesitate to contact us using the contact details on the front of this document.

We aim to resolve all complaints at the earliest possible stage and when the complaint is from a parent or carer about their child’s school life, we will be dedicated to continuing to provide the highest quality of education possible throughout the process.

If other bodies are investigating aspects of a complaint, for example the Police, Local Authority (LA) safeguarding teams or Tribunals, this may impact on our ability to adhere to the timescales in this procedure or may result in the procedure being suspended until those public bodies have completed their investigations.

If anyone involved in a complaint commences legal action against this MAT in relation to the complaint, we will consider whether to suspend the complaints procedure in relation to their complaint until those legal proceedings have concluded.

Once a complaint has been made, it can be resolved or withdrawn at any stage.

1.1 Who can make a complaint?

This complaints procedure is not limited to the parents or carers of children that are registered at an academy or school that is part of our MAT. Any person, including members of the public, can make a complaint to us about any of the facilities or services that we provide.

A person making a complaint is known as a complainant. Complaints can also be made by a third party acting on behalf of a complainant if they have appropriate consent to do so. When these procedures refer to “you”, we mean the complainant if we are dealing with a third party.

Unless complaints are dealt with under separate statutory procedures (such as appeals relating to exclusions or admissions), or when the MAT is not the appropriate organisation to complain to (such as when the complaint is against a group hiring our premises), we will use this complaints procedure.

To ensure your complaint is handled quickly and in the most appropriate way, please check [Appendix A](#): *before* making it to see if what you want to complain about is listed under ‘complaints *not* handled under this procedure’. It explains who to complain to instead.

1.2 Anonymous complaints

We will not normally investigate anonymous complaints.

1.3 Time scales

You must raise your complaint within three months of the incident or, where a series of associated incidents have occurred, within three months of the last of these incidents. We will consider complaints made outside of this timeframe if exceptional circumstances apply.

1.4 Complaints received outside of term time

We will consider complaints made outside of term time to have been received on the first school day after the holiday period. Please see our term dates as published on our website.

2. How to raise a concern or make a complaint

2.1 The difference between a concern and a complaint

A concern may be defined as *'an expression of worry or doubt over an issue considered to be important for which reassurances are sought'*.

A complaint may be defined as *'an expression of dissatisfaction however made, about actions taken or a lack of action'*.

We encourage anyone with concerns or complaints to bring them to our attention directly and as soon as possible. We appreciate all feedback and suggestions to help us plan for the future and we welcome any opportunity to provide reassurance about what we do and why.

Parents/carers and complainants are encouraged to raise concerns informally with the relevant school or Trust representative in the first instance before entering the formal complaints process.

2.2 Our aims when resolving complaints

At every stage in our procedures, we want to resolve the complaint. We aim to handle it:

- politely, and with honesty and professionalism;
- in complete confidence;
- transparently, fairly, and thoroughly; and
- more quickly if it is urgent.

Following our investigation, we may not uphold your complaint, or we may uphold it wholly or only partly. We will offer you one or more of the following as an outcome:

- an explanation of why we did or did not uphold all or part of your complaint,
- an apology if we have made mistakes,
- an explanation of the steps that have been or will be taken to help ensure that what you complained about will not happen again and an indication of the timescales within which any changes will be made,
- an undertaking to review MAT policies in light of the complaint.

2.3 Our expectations when resolving complaints

Every concern or complaint raised must be:

- genuine, reasonable, and not vexatious (unreasonable or repeated), and
- drawn to our attention politely and in a reasonable way without using offensive, abusive, or threatening language or behaviour

Please see [Section 9](#) for how we handle complaints which do not meet these expectations.

2.4 Maintaining Governor/Member or Trustee impartiality

Except as directed below (where your complaint is about the Head teacher, a member of the Governing Body of a MAT school, the Chief Executive Officer (CEO), or member of the Board of Trustees, **or** where your complaint has already been escalated to the Formal Complaints - Stage One) you should not raise your concern or complaint with individual Governors/Members or Trustees.

If your first contact about your complaint is with a Governor/Member/Trustee, he or she will ask you not to explain and will instead refer you to an appropriate member of staff or the Head teacher. They are not unwilling to help nor are they dismissing your concerns. A Governor/Member or Trustee has no power to act alone and will

need to remain impartial because they may be required to sit on a Panel to formally hear your complaint if you take Step Three and progress it to the Formal Complaints - Stage One.

2.5 Withdrawal of a complaint

If you want to withdraw your complaint, we will ask you to confirm this in writing.

3. Step One: Informal complaints stage

Many issues can be resolved informally by us listening to you and either putting matters right or giving you an explanation, without the need to use the formal stages of our complaints procedure. We take concerns seriously and will make every effort to resolve matters as quickly as possible.

If you have a concern about anything we do, you can raise this informally by telephone, in person, or in writing (including by letter or email). Informal concerns do not constitute a Formal Complaint under this procedure unless submitted through the Trust's official complaints form process.

Complaints should be submitted in the complainant's own words and should clearly set out the specific concerns and desired outcome. The Trust reserves the right to request clarification or refuse to progress complaints which are excessively repetitive, unclear, abusive, or not representative of a genuine complaint.

If there is something you are not happy about, or you don't understand why we are doing something in a particular way, please come in and discuss it with the teacher or another appropriate member of staff, such as the Special Educational Needs Co-ordinator (SENCo) if it is about Special Needs.

We know that it can feel uncomfortable to question or challenge something, but if you don't tell us what is worrying you, we cannot explain what we are doing or try to put it right.

If the member of staff you speak to in the first instance is unable to attempt to resolve the matter, you should make an appointment with the Head teacher.

If you have difficulty discussing a concern with a particular member of staff, we will respect your views. In these cases, the headteacher or administrative support to the headteacher, will refer you to another staff member. Similarly, if the member of staff directly involved feels unable to deal with a concern, the headteacher will refer you to another staff member. This person may be more senior but does not have to be. The ability to consider the concern objectively and impartially is more important.

When making or resolving a complaint might involve a face-to-face meeting at any stage, we understand there may be personal circumstances we must consider under the Equality Act 2010 which means we have to conduct the meeting or Hearing in an adapted or another way e.g. accessibly, or remotely. There may also be local or national reasons why people cannot meet face-to-face.

We aim to deal with the majority of concerns or complaints here at the Informal Stage. At the end of the informal investigation into your complaint, the appropriate person doing the investigation will provide an informal written response within 10 school days of the date of receipt of the complaint.

If, at the end of Step One, you are dissatisfied with the outcome of the Informal Stage, you can take Step Two and escalate the complaint to Formal Complaints - Stage One (outlined below). You should do this within 10 school days of receiving notice of the outcome of the Informal Stage.

4. Step Two: Formal Complaints – Stage One

Formal complaints must be submitted using the Trust's official Complaints Form, available online at [\[SCMAT Complaints\]](#). Formal complaints submitted through other methods may not be accepted or progressed under the formal complaints procedure.

The Trust will make reasonable adjustments where required under the Equality Act 2010. Paper copies of the form can be provided upon request and support will be offered to complainants who require assistance accessing or completing the form.

This form was designed to help you tell us everything we need to know about your complaint so we can handle it as quickly as possible, so we recommend using it. If you need help completing the form, please contact the relevant academy, school, or Trust office. You can also ask third party organisations like the [Citizens Advice](#) to help you.

Complaints should be submitted in the complainant's own words and should clearly set out the specific concerns and desired outcome. The Trust reserves the right to request clarification or refuse to progress complaints which are excessively repetitive, unclear, abusive, or not representative of a genuine complaint.

In accordance with equality law, we will consider making reasonable adjustments if required, to enable complainants to access and complete this complaints procedure. For instance, providing information in alternative formats, assisting complainants in raising a formal complaint, or holding meetings in accessible locations or with assistive technology.

4.1 Complaints that are not about a Head teacher or a Governing Body

The Trust Complaints Form is available online at [\[SCMAT Complaints\]](#). This form must be completed for all formal complaints. Paper copies are available on request from the school or Trust office.

The Head teacher will record the date the complaint is received and will acknowledge receipt of the complaint in writing (either by letter or email) within 5 school days.

In their response, the Head teacher will seek to clarify:

- the nature of your complaint (if the Head teacher was not involved at the Informal Stage);
- why you were dissatisfied with the outcome at the Informal Stage; and
- what outcome you would like to see.

The Head teacher can consider whether a face to face meeting is the most appropriate way of doing this.

Note: The Head teacher may delegate the investigation to another member of the school or academy's senior leadership team but not the decision to be taken.

During the investigation, the Head teacher (or investigator) will:

- if necessary, interview those involved in the matter and/or those complained of, allowing them to be accompanied if they wish;
- keep a written record of any meetings/interviews in relation to their investigation.

At the conclusion of their investigation, the Head teacher will provide a formal written response about the outcome within 14 school days of the date of receipt of the complaint. When we receive a complaint in writing about our fulfilment of the EYFS statutory framework requirements, the framework requires us to investigate and provide a written response **within 28 days** of receiving it.

If the Head teacher is unable to meet this deadline, they will provide an update and a revised response date.

The written response detailing the outcome will include:

- any actions taken to investigate the complaint;
- a full explanation of the decision made and the reason(s) for it;
- where appropriate, details of actions this academy will take to resolve the complaint; and
- how to take Step Three and escalate your complaint to Formal Complaints - Stage Two should you remain dissatisfied with the outcome of Stage One (usually a Panel Hearing with at least three people

who were not directly involved at the Informal Stage or Formal Complaint - Stage One or is the subject of the complaint).

You must take Step Three within 10 school days of receipt of your Stage One written outcome. In keeping with our commitment to resolving complaints as quickly as possible, we will only consider requests for a Formal Stage Two investigation received outside this time period in exceptional circumstances.

4.2 Complaints about a Head teacher

A formal complaint about the Head teacher must be addressed to the Chair of the Governing Body of the individual school or academy and made via the online complaints form at [\[SCMAT Complaints\]](#). If completing and returning a paper copy of this to the school office please mark as Private and Confidential.

The Chair of Governors will record the date the complaint is received and will acknowledge receipt of the complaint in writing (either by letter or email) within 10 school days.

In their response, the Chair will seek to clarify:

- the nature of your complaint;
- why you were dissatisfied with the outcome at the Informal Stage; and
- what outcome you would like to see.

The Chair can consider whether a face to face meeting is the most appropriate way of doing this.

The Chair (or another suitably skilled impartial Governor/Member) will conduct an investigation and at the conclusion, will provide a formal written response about the outcome within 28 school days of the date of receipt of the complaint. When the substance of a complaint about the Head teacher is regarding their fulfilment of the EYFS statutory framework requirements, the framework requires us to investigate and provide a written response **within 28 days** of receiving it.

If the Chair is unable to meet this deadline, they will provide an update and a revised response date.

The response will detail the outcome including:

- any actions taken to investigate the complaint
- a full explanation of the decision made and the reason(s) for it,
- where appropriate, any actions which have been or will be recommended to the academy to address your complaint, and
- how to take Step Three and escalate your complaint to Formal Complaints - Stage Two should you remain dissatisfied with the outcome of Stage One (usually a Panel Hearing consisting of at least three people who were not directly involved at either the Informal Stage or Formal Complaints – Stage One).

You must take Step Three within 10 school days of receipt of your Stage One written outcome. In keeping with our commitment to resolving complaints as quickly as possible, we will only consider requests for a Formal Stage Two investigation received outside this time period in exceptional circumstances.

4.3 Complaints about one of more members of the Board of Trustees/Governing Body

A formal complaint about the Chair of the Board, Governing Body of an individual Academy, any individual Governor/Member, or the whole Board of Trustees/Governing Body should be addressed to the Clerk to the Trustees/Governing Body and be made via the Academy office, on the online form at [\[SCMAT Complaints\]](#). Please mark any written complaint as Private and Confidential.

The Clerk will record the date the complaint is received and will acknowledge receipt of the complaint in writing (either by letter or email) within 10 school days. This person might be the Chair, another suitably skilled impartial Governor/Member, or an independent Governor/Member from another school. An independent investigator will be appointed by the Governing Body if the complaint is:

- jointly about the Chair and Vice Chair, or

- the entire Governing Body, or
- the majority of a Governing Body.

In their response, the Clerk will tell you who the investigator is and seek to clarify:

- the nature of your complaint;
- why you were dissatisfied with the outcome at the Informal Stage; and
- what outcome you would like to see.

The investigator can consider whether a face to face meeting is the most appropriate way of doing this.

At the end of the investigation, the Clerk will provide you with the investigator's formal written response about the outcome within 28 school days of the date of receipt of the complaint. When the substance of a complaint about one of more members of the Governing Body is regarding their fulfilment of the EYFS statutory framework requirements, the framework requires us to investigate and provide a written response **within 28 days** of receiving it.

If the investigator is unable to meet this deadline, the Clerk will provide an update and a revised response date.

The response will detail the outcome including:

- any actions taken to investigate the complaint;
- a full explanation of the decision made and the reason(s) for it;
- where appropriate, any actions which have been or will be recommended to the academy to address your complaint; and
- how to take Step Three and escalate your complaint to Formal Complaints - Stage Two should you remain dissatisfied with the outcome of Stage One (usually a Panel Hearing with at least three people who were not directly involved at the Informal Stage or Formal Complaints – Stage One or is the subject of the complaint).

You must take Step Three within 10 school days of receipt of your Stage One written outcome. In keeping with our commitment to resolving complaints as quickly as possible, we will only consider requests for a Formal Stage Two investigation received outside this time period in exceptional circumstances.

5. Step Three: Formal Complaints - Stage Two

If you are dissatisfied with the outcome at Formal Complaints - Stage One and want to take the matter further, you can take Step Three and escalate the complaint to Formal Complaint - Stage Two – a Panel Hearing formed of at least three people not directly involved in the Informal Stage or Formal Complaint - Stage One, one of whom is independent of the management and running of the academy. This is the final stage of the complaints procedure.

A request to escalate a Formal complaint to Stage Two must be made to the Clerk, via the online complaints form at [\[SCMAT Complaints\]](#). Within 10 school days of receipt of the Stage One response.

When completing a new Complaint Form for Stage Two please:

- Make it clear whether you are asking the Formal Stage Two investigation to consider the original complaint or how it was handled at the Informal Stage or Formal Complaint - Stage One.
- Ensure you include as much information as possible with copies of any supporting evidence.
- Remember the Panel has no prior knowledge of your complaint and may not be involved with the academy at all so be clear about the roles of people you name, dates, times, and facts.
- Include as much detail as clearly as you can because the less clarification and/or investigation needed the more quickly your complaint can be resolved.

The Clerk will record the date the Stage Two request is received and acknowledge receipt of the complaint escalation in writing (either by letter or email) within 10 school days. Requests received outside of this time frame will only be considered if exceptional circumstances apply.

The Panel will consist of at least three people with no prior involvement or knowledge of the complaint, one of whom must be independent of the management and running of the academy. If there are fewer than two people from this academy available, the Clerk will source any additional, independent people through another local school or through our schools networks or LA's Governor Services team, to make up the Panel. Alternatively, an entirely independent Panel may be convened to hear the complaint at Stage Two. Before meeting, the Panel will decide amongst themselves who will act as the Chair.

5.1 Before the Panel Hearing

The Panel will first agree if the information submitted in the request to escalate the complaint to Stage Two needs clarification or investigation before a Panel Hearing. The amount of clarification or investigation required will affect the timing of the Hearing. It may involve gathering information and interviewing people.

Once the Panel has determined the nature of any investigation needed, they will be able to agree a timetable for undertaking that investigation and a date for the Panel Hearing.

The Clerk, or a Panel 'convener' we appoint will write to you to inform you of the date of the Hearing. They will aim to convene this Hearing within 20 school days of receipt of the Stage Two request. Where the complaint is complex and/or external parties are involved and this is not possible, the 'convener' will provide an anticipated date and keep you informed.

If you reject the offer of three proposed dates, without good reason, the 'convener' will decide when to hold the Hearing. It will then proceed in your absence on the basis of written submissions from both parties.

5.2 Panel Hearing

When you attend the Panel Hearing about your complaint, you can bring someone along to provide support. This can be a relative or friend. Generally, we do not encourage either party to bring legal representatives to the Hearing. However, there may be occasions when legal representation is appropriate. For instance, if an academy employee is called as a witness in a Panel Hearing, they may wish to be supported by union and/or legal representation.

Note: Complaints about staff conduct will not generally be handled under this complaints procedure. Complainants will be advised that any staff conduct complaints will be considered under staff disciplinary or allegations procedures, if appropriate, but outcomes will not be shared with them.

Representatives from the media are not permitted to attend.

At least 5 school days before the Panel Hearing, the Clerk or 'convener' will:

- notify you of the date, time, and venue of the Hearing, ensuring that dates are convenient to all parties and that the venue and proceedings are accessible;
- provide an outline of the Panel Hearing format (see [Appendix D](#) for an example) and the names and Panel role e.g. Chair, complainant, teacher, friend, union official etc., of everyone who will be attending, including any witnesses,
- request copies of any further written material to be submitted to the Panel at least 5 school days before the Hearing.

Any written material will be circulated to all parties at least 5 school days before the date of the Hearing. Some of this information may be redacted to comply with data protection laws. The Panel will not normally accept, as evidence, recordings of conversations that were obtained covertly and without the informed consent of all parties being recorded.

The Panel will also not review any new complaints at this stage or consider evidence unrelated to the initial complaint to be included. New complaints should be dealt with under Step One: the Informal Stage and new Formal complaints must be dealt with under Step Two: Formal Complaint - Stage One of the procedure.

The Panel Hearing will be held in private. Electronic recordings of meetings or conversations are not normally permitted unless a complainant's own disability or special needs require it. Prior knowledge and consent of all parties attending must be sought before meetings or conversations take place. Consent will be recorded in any minutes taken.

5.3 Panel Hearing outcome

The Panel will consider the complaint and all the evidence presented. The Panel can:

- uphold the complaint in whole or in part;
- dismiss the complaint in whole or in part.

If the complaint is upheld in whole or in part, the Panel will:

- decide on the appropriate action to be taken to resolve the complaint;
- where appropriate, recommend changes to the school or academy's systems or procedures to prevent similar issues in the future.

The Panel Chair will provide you and South Cumbria Multi-Academy Trust with a full explanation of their decision and the reason(s) for it, in writing, within 20 school days. Your copy of the letter will include details of how to contact the Department for Education and/or Ofsted if you are dissatisfied with the way your complaint has been handled.

The Panel will ensure that those findings and recommendations are given to the complainant and, where relevant, any person complained about. They will also be available for inspection on the school premises by our proprietor and the Head teacher.

A written record will be kept of all complaints, and of whether they are resolved at the Informal Stage, Formal Complaint – Stage One, or proceed to a Panel Hearing, along with what actions have been taken, regardless of the decision.

All correspondence, statements and records relating to individual complaints will be kept confidential except where the Secretary of State or a body conducting an inspection under section 109 of the 2008 Act requests access to them.

5.4 Complaints about one or more members of a Governing Body

If the complaint is:

- jointly about the Chair and Vice Chair, or
- the entire Governing Body, or
- the majority of the Governing Body.

the only difference from the above Panel Hearing procedure is that it will be heard by at least two MAT Trustees and an independent Panel member.

The response will detail any actions taken to investigate the complaint and provide a full explanation of the decision made and the reason(s) for it. Where appropriate, it will include details of actions the individual school or academy will take to resolve the complaint.

The response will also advise you how to escalate your complaint should you remain dissatisfied (see next Steps below).

6. Complaints about the Trust, the CEO, or a Trustee

6.1 Step One: Informal Stage

The MAT is committed to handling complaints about what we do in the same fair and thorough way as is expected from our academies and we welcome every opportunity to resolve complaints at the Informal Stage (as above).

If you have a concern about anything the Trust does, or you want to make a complaint, you can take Step One and informally raise it in person or in writing (by letter or email). Please see our governance at <https://www.scmat.org.uk/about-us/governance/meet-the-members-and-trustees/> for the best person to contact.

We aim to deal with the majority of concerns or complaints here at the Informal Stage. At the end of the informal investigation into your complaint, the appropriate person doing the investigation will provide an informal written response within 10 school days of the date of receipt of the complaint.

If, at the end of Step One, you are dissatisfied with the outcome of the Informal Stage, you can take Step Two and escalate the complaint to Formal Complaints - Stage One (outlined below). You should do this within 10 school days of receiving notice of the outcome of the Informal Stage.

6.2 Step Two: Formal Complaint – Stage One

A formal complaint about the Trust must be addressed to the CEO and made via the online complaints form at [\[SCMAT Complaints\]](#). Please mark any written complaint form returned to the school as Private and Confidential.

A formal complaint about the CEO or one or more individual Trustees must be addressed to the Chair of the Board of Trustees and made via the Trust office.

A formal complaint about the Chair of the Board of Trustees must be addressed to the Vice Chair and made via the Trust office.

The CEO (or Chair of Trustees or Vice Chair) will record the date the complaint is received and will acknowledge receipt of the complaint in writing (either by letter or email) within 10 school days. The acknowledgement will confirm that the complaint will be investigated under Stage One or Two of this Complaints Procedure (depending on whether it is about the Trust or escalated from an individual academy) and will confirm the date for providing a response.

Following the investigation, the CEO (or Chair or Vice Chair) will write to you confirming the outcome within 28 school days of the date that the complaint was received. Where the Chair or Vice Chair of the Board of Trustees has investigated the complaint, they will write the letter of outcome to you and provide a copy to the CEO. If this time limit cannot be met, the CEO (or Chair or Vice Chair) will write to you within 20 school days that the letter was received, explaining the reason for the delay, and providing a revised date.

The outcome response will include how to take Step Three and escalate your complaint to Formal Complaints - Stage Two should you remain dissatisfied at the end of Stage One (usually a Complaint Panel Hearing).

You must take Step Three within 10 school days of receipt of your Stage One written outcome. In keeping with our commitment to resolving complaints as quickly as possible, we will only consider requests for a Formal Stage Two investigation received outside this time period in exceptional circumstances.

6.3 Step Three: Formal Complaint - Stage Two

If you are not satisfied with the outcome of the previous stage, you should write to the Clerk to the Board of Trustees via the online complaints form at [\[SCMAT Complaints\]](#). Asking for the complaint to be heard before a Complaint Panel, within 10 school days.

The Clerk will record the date the complaint is received and acknowledge receipt of the complaint in writing (either by letter or email) within 10 school days. Requests received outside of this time frame will only be considered if exceptional circumstances apply.

The Clerk will write to the complainant to inform them of the date of the meeting. They will aim to convene a meeting within 20 school days of receipt of the Formal Complaint - Stage Two request. If this is not possible, the Clerk will provide an anticipated date and keep you informed.

The Complaint Panel will consist of three members, none of whom will have been involved in the incidents or events which led to the complaint or been involved in dealing with the complaint in the previous stages, or have any detailed prior knowledge of the complaint.

One of the Complaint Panel members will be independent of the management and running of the Academy Trust. This means that the independent Complaint Panel member will not be a Trustee or an employee of the Trust.

A Formal Complaint - Stage Two will be heard by a Complaint Panel completely independent of the Trust if the complaint is:

- jointly about the Chair and Vice Chair of the Board of Trustees or
- the entire Trust board or
- the majority of the Trust board,

Complaint Panel Hearings will be carried out using the same principles, methods, and timescales described in Section 5 above.

If the complaint is upheld in whole or in part, the Complaint Panel will:

- decide on the appropriate action to be taken to resolve the complaint
- where appropriate, recommend changes to a school's or academy's systems or procedures to prevent similar issues in the future.

The Chair of the Panel will provide you and the Trust with a full explanation of their decision and the reason(s) for it, in writing, within 28 school days. Your copy of the letter will include details of how to contact the Department for Education and/or Ofsted if you are dissatisfied with the way your complaint has been handled.

The response will detail any actions taken to investigate the complaint and provide a full explanation of the decision made and the reason(s) for it. Where appropriate, it will include details of actions the Trust will take to resolve the complaint.

The Panel will ensure that those findings and recommendations are sent by electronic mail or otherwise given to the complainant and, where relevant, the person complained about. Furthermore, they will be available for inspection on the school premises by the proprietor and the head teacher.

A written record will be kept of all complaints, and of whether they are resolved at the preliminary stage or proceed to a Panel Hearing, along with what actions have been taken, regardless of the decision.

All correspondence statements and records relating to individual complaints will be kept confidential, except where the Secretary of State or a body conducting an inspection under section 109 of the 2008 Act requests access to them.

7. Next Steps

7.1 Complaining to the Department for Education

If you believe the academy did not handle your complaint in accordance with the published complaints procedure or we acted unlawfully or unreasonably in the exercise of our duties under education law, you can contact the Department for Education after we have completed Stage Two.

The Department for Education will not normally reinvestigate the substance of complaints or overturn any decisions made by a school. They will consider whether we have adhered to education legislation and any statutory policies connected with the complaint. For more information visit [Complain about a school: State schools - GOV.UK \(www.gov.uk\)](https://www.gov.uk/guidance/complain-about-a-school).

You can refer your complaint to the Department for Education online at: [Contact the Department for Education - Contact type - DFE Online Forms](#), by telephone on: 0370 000 2288 or by writing to:

Ministerial and Public Communications Division | Department for Education Piccadilly
Gate
Store Street
Manchester M1
2WD

7.2 Complaining to Ofsted

The only role Ofsted have in considering a complaint about a school, is solely to determine if there is a need to inspect. Ofsted cannot seek to resolve or establish cause for any individual complaint.

If your concern affects the academy as a whole and you have followed the complaints procedure right to the end, Ofsted have powers to consider some complaints made in writing about schools. They provide an [online form](#) for this.

These complaints may come from registered parents or carers of pupils at the school that the complaint is about and complaints from other people. This includes the parents and carers of pupils who may be off sick or temporarily excluded. Examples could include:

- the school is not providing a good enough education;
- the pupils are not achieving as much as they should, or their different needs are not being met;
- the school is not well led and managed, or is inappropriately managing finances as a group, the pupils' personal development and well-being are being neglected (as stated above, Ofsted cannot look at individual cases).

Please visit [Complaints to Ofsted about schools - GOV.UK \(www.gov.uk\)](https://www.gov.uk/guidance/complaints-to-ofsted-about-schools) for more information about the process.

8. Duplicate complaints

After closing a complaint at the end of the complaints procedure, we might receive a duplicate complaint from:

- a spouse;
- a partner; • a grandparent;
- a child.

If the complaint is about the same subject, we will first check that we have not overlooked any new aspects to the complaint that we may not have previously considered.

If we find something that we should consider further, we will address the new but related or similar complaint to the full extent of the complaints procedure.

If we find the complaint is a duplicate without new aspects, we will inform the new complainant that the academy has already considered that complaint and the local process is complete. We will then advise the new complainant to contact the Department for Education if they are dissatisfied with our handling of the original complaint.

9. Unreasonable or persistent complaints

We are committed to dealing with all complaints fairly and impartially, and to providing a high-quality service to those who complain. We will not normally limit the contact complainants have with the academy. However, we do not expect our staff to tolerate unacceptable behaviour and we will take action to protect them from behaviour we feel is abusive, offensive, or threatening.

We define unreasonable complainants as “those who, because of the frequency or nature of their contacts with the academy, hinder our consideration of their or other people’s complaints”.

A complaint may be regarded as unreasonable when the person making the complaint:

- refuses to articulate their complaint or specify the grounds of a complaint or the outcomes sought by raising the complaint, despite offers of assistance;
- refuses to co-operate with the complaints investigation process while still wishing their complaint to be resolved;
- refuses to accept that certain issues are not within the scope of a complaints procedure;
- insists on the complaint being dealt with in ways which are incompatible with the adopted complaints procedure or with good practice;
- introduces trivial or irrelevant information which the complainant expects to be considered and commented on, or raises large numbers of detailed but unimportant questions, and insists they are fully answered, often immediately and to their own timescales;
- makes unjustified complaints about staff who are trying to deal with the issues, and seeks to have them replaced;
- changes the basis of the complaint as the investigation proceeds;
- repeatedly makes the same complaint (despite previous investigations or responses concluding that the complaint is groundless or has been addressed);
- refuses to accept the findings of the investigation into that complaint where the academy’s complaint procedure has been fully and properly implemented and completed including referral to the Department for Education;
- seeks an unrealistic outcome;
- makes excessive demands on academy time by frequent, lengthy, complicated, and stressful contact with staff regarding the complaint in person, in writing, by email and by telephone while the complaint is being dealt with.

A complaint may also be considered unreasonable if the person making the complaint does so either face-to-face, by telephone or in writing or electronically:

- maliciously;
- aggressively;
- using threats, intimidation, or violence;
- using abusive, offensive, or discriminatory language;
- knowing it to be false;
- using falsified information;
- publishing unacceptable information in a variety of media such as in social media websites and newspapers.

Complainants should limit the numbers of communications with the academy while a complaint is being progressed. It is not helpful if repeated correspondence is sent (either by letter, phone, email, or text) as it could delay the outcome being reached.

Whenever possible, the Head teacher or Chair of the Board of Trustees will discuss any concerns with the complainant informally before applying an ‘unreasonable’ marking.

If the behaviour continues, the Head teacher will write to the complainant explaining that their behaviour is unreasonable and asking them to change it. For complainants who excessively contact this academy causing a significant level of disruption, we may specify methods of communication and limit the number of contacts in a communication plan.

This will usually be reviewed after 6 months.

In response to any serious incident of aggression or violence, the concerns and actions taken will be put in writing immediately and the Police informed. This may include banning an individual from south Cumbria Multi-Academy Trust.

The Trust may refuse to progress complaints where the complainant refuses to use the published complaints process or required complaints documentation without reasonable justification.

Complaints not handled under this complaint procedure

The Complaints Procedure of South Cumbria Multi-Academy trust covers all complaints about the provision of any services or community facilities by us, except for complaints that are dealt with under other statutory procedures, or where the academy is not the appropriate organisation to complain to. Please note who to complain to instead as follows:

Complaints Procedure V3

Complaint Procedures Roles and Responsibilities Complainant

The complainant will receive a more effective response to the complaint if they:

- explain the complaint in full as early as possible;
- co-operate with the school in seeking a solution to the complaint;
- respond promptly to requests for information or meetings or in agreeing the details of the complaint; • ask for assistance as needed;
- treat all those involved in the complaint with respect;
- refrain from publicising the details of their complaint on social media and respect confidentiality.

Investigator

The investigator's role is to establish the facts relevant to the complaint by:

- providing a comprehensive, open, transparent, and fair consideration of the complaint through:
 - sensitive and thorough interviewing of the complainant to establish what has happened and who has been involved;
 - interviewing staff and children/young people and other people relevant to the complaint;
 - consideration of records and other relevant information;
 - analysing information;
- liaising with the complainant and the complaints co-ordinator as appropriate to clarify what the complainant feels would put things right.

The investigator should:

- conduct interviews with an open mind and be prepared to persist in the questioning;
- keep notes of interviews or arrange for an independent note taker to record minutes of meetings;
- ensure that any papers produced during the investigation are kept securely pending any appeal;
- be mindful of the timescales to respond;
- prepare a comprehensive report for the Head teacher or Panel that sets out the facts, identifies solutions and recommends courses of action to resolve problems.

The Head teacher or Panel will then determine whether to uphold or dismiss the complaint and communicate that decision to the complainant, providing the appropriate escalation details.

Clerk to the Governing Body/Board of Trustees

The Clerk is the contact point for the complainant and the Panel and should:

- ensure that all people involved in the complaint procedure are aware of their legal rights and duties, including any under legislation relating to school complaints, education law, the Equality Act 2010, the Freedom of Information Act 2000, and the Data Protection Act (DPA) 2018;
- set the date, time, and venue of the Hearing, ensuring that the dates are convenient to all parties (if they are invited to attend) and that the venue and proceedings are accessible;
- collate any written material relevant to the complaint (for example; stage 1 paperwork, school and complainant submissions) and send it to the parties in advance of the Hearing within an agreed timescale;
- record the proceedings;
- circulate the minutes of the Hearing; • notify all parties of the Panel's decision.

Panel Chair

The Panel's Chair, who is nominated in advance of the Panel Hearing, should ensure that:

1

- both parties are asked (via the Clerk) to provide any additional information relating to the complaint by a specified date in advance of the Hearing;
- the Hearing is conducted in an informal manner, is not adversarial, and that, if all parties are invited to attend, everyone is treated with respect and courtesy;
- complainants who may not be used to speaking at such a Hearing are put at ease. This is particularly important if the complainant is a child/young person;
- the remit of the Panel is explained to the complainant;
- written material is seen by everyone in attendance, provided it does not breach confidentiality or any individual's rights to privacy under the DPA 2018 or GDPR;
- If a new issue arises it would be useful to give everyone the opportunity to consider and comment upon it; this may require a short adjournment of the Hearing;
- both the complainant and the school are given the opportunity to make their case and seek clarity, either through written submissions ahead of the Hearing or verbally in the Hearing itself;
- the issues are addressed;
- key findings of fact are made;
- the Panel is open-minded and acts independently;
- no member of the Panel has an external interest in the outcome of the proceedings or any involvement in an earlier stage of the procedure;
- the Hearing is minuted; • they liaise with the Clerk.

Panel Member

Panel members should be aware that:

- the Hearing must be independent and impartial, and should be seen to be so
No Governor/Member/Trustee may sit on the Panel if they have had a prior involvement in the complaint or in the circumstances surrounding it.
- the aim of the Hearing should be to resolve the complaint and achieve reconciliation between the school and the complainant
We recognise that the complainant might not be satisfied with the outcome if the Hearing does not find in their favour. It may only be possible to establish the facts and make recommendations.
- many complainants will feel nervous and inhibited in a formal setting
Parents/carers often feel emotional when discussing an issue that affects their child.
- extra care needs to be taken when the complainant is a child/young person and present during all or part of the Hearing

Careful consideration of the atmosphere and proceedings should ensure that the child/young person does not feel intimidated.

The Panel should respect the views of the child/young person and give them equal consideration to those of adults.

If the child/young person is the complainant, the Panel should ask in advance if any support is needed to help them present their complaint. Where the child/young person's parent is the complainant, the Panel should give the parent the opportunity to say which parts of the Hearing, if any, the child/young person needs to attend.

However, the parent should be advised that agreement might not always be possible if the parent wishes the child/young person to attend a part of the Hearing that the Panel considers is not in the child/young person's best interests.

- the welfare of the child/young person is paramount.
